- Marital Status : Single
- Nationality : Nigerian
- Known Languages : English, Yoruba
- Gender : Male

EDUCATION/ CERTIFICATIONS

Federal University of Technology, Akure

2013 – 2018

B.Tech. Meteorology and Climate Science

Thesis: Assessing the potential of wind energy for electrical power generation in Sokoto and Port Harcourt

Thesis Summary: "Potential for Wind energy was assessed in 2 different locations in Nigeria, the locations are relatively opposite each with Sokoto being in the far north and Port Harcourt in the South. Statistical analysis of the data gotten from ERA-Interim and NiMet, using 3 different wind turbine models, showed that the north is suited for energy generation using wind turbines"

WORK EXPERIENCE

Teacher

National Youth Service Corps (NYSC)
